WINEMAKER'S TASTING NOTES

The 2009 Grayson Cabernet Sauvignon shows a dark ruby color with a rich nose of ripe, dark cherries, blackberries and hints of black pepper. This full bodied wine provides a round mouth feel with an intense, lingering finish of hints of toasted French oak.

ABOUT GRAYSON CELLARS

There are few family-owned wines from California at this price point available today. Our family's attention to winemaking quality separate Grayson from the larger, corporate brands that dominate the market. When our family started Grayson Cellars we asked our winemaker to look throughout California's finest growing regions for the best grapes for Grayson wines. We believe these grape sources combined with nearly 30 years of winemaking experience make Grayson wines some of California's finest values. Taste the value of Grayson wines yourself and see if you agree.
