WINEMAKER'S TASTING NOTES

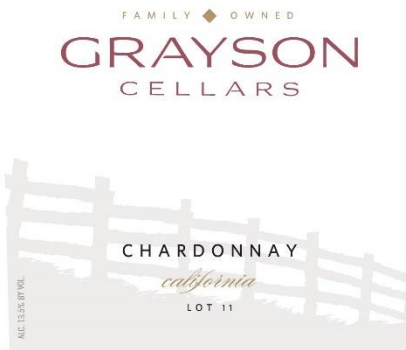

The 2023 Grayson Chardonnay is brilliantly ripe and shows bright, brisk acidity and good minerality with notes of pineapple and apricot. The palate offers green apple fruit with a crisp finish showing gentle hints of apple pie and vanilla flavors.

ABOUT GRAYSON CELLARS

There are fewer family-owned wines from California at this price point available today. Our family's attention to winemaking quality separate Grayson from the larger, corporate brands that dominate the market. When our family started Grayson Cellars we asked our winemaker to look throughout California's finest growing regions for the best grapes for Grayson wines. We believe these grape sources combined with nearly 30 years of winemaking experience make Grayson wines some of California's finest values. Taste the value of Grayson wines yourself and see if you agree.
